Mark Twain,
from *LIFE ON THE MISSISSIPPI*
*The face of the water, in time,
became a wonderful book -- a
book that was a dead language to
the uneducated passenger, but
which told its mind to me without
reserve, delivering its most
cherished secrets as clearly as if it
uttered them with a voice.
And it was not a book to be read
once and thrown aside, for it had
a new story to tell every day.*
