

2018 DREAM GUIDE

Friends- it's a new year, full of fresh hope, new dreams, and opportunities to step out in boldness. I believe in full faith that He will move among us in new ways. Ways that expand our faith and courage even more.

God is real and I can't wait to see what He will do through His children together- wild and full of faith.

May this 2018 Dream Guide inspire you to reflect on all that God has done in 2017, and inspire you to be intentional and courageous in the New Year!

Have fun dreaming!
